The Mushroom People Have Arrived!

Tales of the Mushroom People is the debut entry in a series of illustrated stories for children and adventurous adults. Two mushroom heroes, Moonshroom and Snowshroom, embark on a quest to rescue Princess Pie. Along the way they must overcome the dread villain, Zombieshroom, as well as the inimical maneuvers of the Dolharubang, members of an ancient mushroom cult. The story is told with felt fingerpuppets and photographs from across Korea, including Seoul, Busan and Jeju Island.

About the Authors

David, Lynn, Ruth & Joseph Keffer are a family who lived for a year in Korea. For this book, they traveled all over Korea and took pictures. On rainy days, they stayed home and made felt fingerpuppets. In between they dreamt up this story, their first illustrated story published by Poison Pie Publishing House.
